We, the undersigned, do hereby declare and state that:

1. Use of federal funds under the LEAD grant, as applied for herein, will be used by our parish only for permanent or temporary improvements to polling places for accessibility, as listed in this grant application.
2. Accessibility survey forms provided by the Department of State are completed by our parish governing authority for each polling place and are on file with the Department of State.
3. Each public building/property listed herein as a polling place which is in need of improvement for accessibility on Election Day will have such work performed in a timely manner so as to provide accessibility to individuals with the full range of disabilities. All permanent solutions will remain in place for all elections. All temporary solutions will be provided by the parish governing authority for use at all elections and will be retained as the property of the parish governing authority for use at all elections.
4. Each private building/property listed herein as a polling place which is in need of improvement for accessibility on Election Day will have such work performed in a timely manner so as to provide accessibility to individuals with the full range of disabilities. All temporary solutions will be provided by the parish governing authority for use at all elections and will be retained as the property of the parish governing authority for use at all elections.
5. All proposed permanent or temporary improvements meet ADA standards.
6. The use of federal funds under the LEAD grant, as applied for herein, is the most economical way to make the polling place accessible.
7. The federal funds under the LEAD grant, as applied for herein, will not be used for anything other than accessibility for polling places as detailed herein.
8. All expenditures attached to this grant application are specific and well documented, with a copy of invoices to support all expenditures, and under no circumstances will such funds be used for anything other than permanent or temporary improvements for polling place accessibility as detailed herein.

Thus done this \_\_\_\_\_ day of \_\_\_\_\_, 20\_\_\_\_\_.
